

## NEWS RELEASE - immediate

### Redhill Aerodrome – News Is, There Is No News

Members of Nutfield Parish Council were disappointed to read a report by the Surrey Mirror concerning the TDC Local Plan 'new settlement' consultation.

As far as Nutfield Parish Council is aware, there is no joint plan between Tandridge and Reigate & Banstead Councils to build houses at Redhill Aerodrome.

The Council feels that local residents should be cautious about the many comments now circulating on social media about the Redhill Aerodrome site.

If necessary, people should go directly to either Tandridge District Council or Reigate & Banstead Borough Council to obtain information and news. In addition, information can be sourced from local groups such as the Nutfield Conservation Society or Keep Redhill Aerodrome Green (KRAG).

"Ends"
