Member of KRAG spoke on current work and research they are doing re RAL Hard Runway application. Outwood PC have now responded to the application to Refuse, having canvassed the parish. Cllr Forbes confirmed the Nutfield Petition has been completed & delivered to TDC Planning. Results were 2% of all households were in favour and 1073 signatures were against, with 43 removed as outside the Parish, majority all against development.

A Parishioner read a report re Village Hall's poor state of repair. Council advised it is NPC duty for Hall safety as Custodian Trustees. A list of faults was read, including the poor state of the roof, recently discovered when attempting to re-tile the roof; no lintels fitted above doors & windows in the rear extension; the frame of the Bar exit door was supporting the wall. The report also concerned the management of the Hall by the new directors. Requested that NPC carry out a full structural survey ASAP. Chairman advised her that as they are now a Limited Company they must bear some responsibility for the Hall condition and Council has limited powers as Custodian Trustees. Two other parishioners mentioned the same points and other matters concerning finance and management. It was proposed that a letter to the directors be drafted requesting a meeting ASAP and once agreed by Council, this to be sent immediately. It was also agreed that the Clerk and other two councillors go to Hedleys for legal advice on these matters and Councils legal rights.

Mrs Ramsey, Tree Wardens advised they were planting 4 trees in 4 locations, in commemoration of the Royal Jubilee. Would NPC contribute towards the cost of plaques? Various examples and prices were quoted.
