Dear Jim

Budget estimates are currently being drawn up for the next financial year and as per the Council's usual timetable, details of the precept for your Parish Council are required for the financial year 2026/27.

As a guide, your current 2026/27 taxbase is 1,297.90. Shown below is your parish precept for the current year together with the Band D charge. This is then compared to the situation in 2025/26, using the 2026/27 taxbase and assuming your precept remains the same.

2025/26 Precept	2025/26 Band D
£96,222	£74.90

2026/27 Precept	2026/27 Band D
£97,213	£74.14

Based on this estimate, in order to maintain your Band D at last year's level, you would need to increase your precept by £991.

I hope this clarifies the situation and I should be grateful if you could complete the form at the bottom of this letter and return to me by **Thursday January 15th, 2026.**

I would appreciate if you could let me know if you are able meet this deadline.

If you have any questions, please contact me by email.

Yours Sincerely
