A **Parishioner** is defined as an inhabitant whose primary residence is within the defined Nutfield Parish. A still born child will qualify if one parent fulfils the definition show above.

A **7 Year Parishioner** is defined as a person who is no longer living in the parish but was born or whose primary residence was within the defined Nutfield Parish within the last 7 years. On proof of residency (e.g. council tax, bank statement, electoral roll) currently a 30% deduction will be applied to the Non-Parishioner Purchase price for all items

A **burial plot** will hold one full burial interment.

An **ashes plot** will hold one ashes interment.

Reserving any plot (burial or ashes) can be purchased in advance at the rates applicable at the time of the transaction. This is designed to help with future planning and allows Nutfield Parishioners to obtain the advantage of the discounted parishioner rate.

Note – Interment costs do not include the cost of digging/grave preparation. POA

Oversized Coffin Area – There are 3 dedicated areas for coffins/caskets that are larger than our permitted size, one of which is located in the woodland burial meadow. Prices will be charged per square metre for plots and interments. Any coffins/caskets over the permitted size will only be able to be interred in these 3 areas as of 1st April 2023. Coffins/Caskets within our normal sizes will only be permitted to be interred in the standard areas. Pre-purchases are not permitted in this section.

***ERoB Transfer** fee applies to used plots ONLY. Transferring an un-used empty grave is subject to Burial Board approval and will incur additional costs.
